

The Hall and MUGA

The Hall itself comprises a Main Hall complete with sprung floor and stage with an adjoining room (The Blue Room) which can be opened up for large events.

The Lounge is often used independently for meetings. It has a connecting door to the kitchen and also serves as a link from the Main Hall to the covered verandah, where you can enjoy views towards Glastonbury Tor and the Mendip Hills.

The court and Hall

The kitchen can be hired for functions or, for a flat fee, can be used purely for access to drinks and kettles.

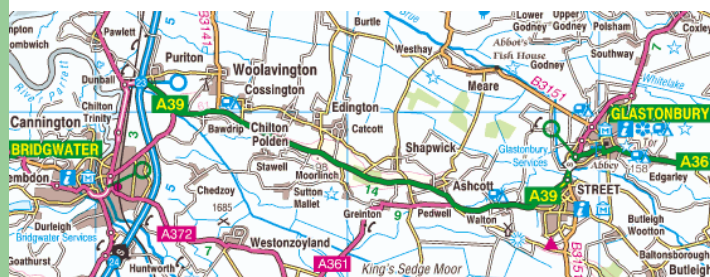

The Floodlit Multi Use Games Area (MUGA), set in Walton Village Hall's Playing Fields is marked out for Tennis, Football, Hockey, Basketball and Netball. Book your slot by the hour then buy lighting tokens from the Booking Secretary as required.
