

## The Hall and MUGA

The Hall itself comprises a Main Hall complete with sprung floor and stage with an adjoining room (**The Blue Room**) primarily used by the Walton Under 5s pre-school. This room can, however, be opened up for large events outside of school term times.

The **Lounge** is often used independently for meetings. It has a connecting door to the kitchen and also serves as a link from the Main Hall to the covered verandah, where you can enjoy views towards Glastonbury Tor and the Mendip Hills.

The **kitchen** can be hired for functions or, for a flat fee, can be used purely for access to taps and kettles.

The **Floodlit Multi Use Games Area (MUGA)**, set in Walton Village Hall's **Playing Fields** is marked out for Tennis, Football, Basketball and Netball. Book your slot by the hour then buy lighting tokens from the Booking Secretary as required.
